

GRAYSSOKER - RIDER 2021

CONTACT

contact@grayssoker.com 06.72.06.05.65

SOUND REQUIREMENTS

-Professional FOH sound system adapted to the venue, with **Subwoofers (required)**.

-**NO MONITOR ON STAGE !** (this could create larsens with the accordion microphones). Grayssoker uses his personal In-Ear Monitor, plugged to the Looper Phones Output.

-Patch : 2 XLR

TRANSPORT / HOTEL

-1 single room, breakfast and WIFI included.

-If Grayssoker travels by car there must be a secure car park at the hotel and at the venue.

-If Grayssoker travels by train or plane, he needs a runner from the train station or airport / hotel / venue / and back.

CATERING

-A non spicy meal, sweet snacks, coffee, small bottles of water.

STAGE

-Installation + Soundcheck : 30mn
